Today, we celebrate Divine Mercy Sunday. The church teaches that St. Faustina, a 20th century Polish nun, recorded revelations she received from Jesus who, as she wrote in her diary, desired that "a Feast of Mercy be a refuge and shelter for all souls." The readings tell the story of God's abundant mercy and love for us. We ask for the grace to more clearly respond to these great signs and wonders of mercy and love that God continues to bestow on us and our world

Once I was dead, but now I am
alive forever and ever.
- Revelation 1:18a
